- ii. Committee volunteer needed – Governance – Johnson discussed that they are looking for another Board member for the Governance committee. She stated that Johanson and Heinisch are only ones available due to the one year requirement as a seated Board member, but discussed if one of the newer Board members wants to get involved as an ad-hoc role, that is an option as well. Semmler acknowledged that she was interested in this ad-hoc role.
- iii. Board self-evaluation process – Johnson gave an overview of the self-evaluation process and discussed that this year alternates will be asked to participate. The Board and alternates will review results in April.

OTHER COMMITTEES:**Legislative Committee (Johanson, Carlson, Heinisch):**

- i. Lobbyist report (written only)
 - a. Nonprofit Act Bill – Johanson recapped the lobbyists report: this should be passed in Senate and House. Senator Pedersen and Senator Padden have been involved and supportive from various angles. Recapped that if passed, this shouldn't go into effect for a year, so we will have time to communicate the education piece out to our members, as well as other nonprofits in Washington with partners, as appropriate.
- ii. Nonprofit Corporations Act SB5034 – Covered in the lobbyists report above.

Board Governance Committee (Carlson, Johnson):

- i. Succession planning update & recommendations – Johnson reported that the alternate positions are at the end of their terms and wanted to thank them for their commitment to help over the last year. Reported that Julie Vess would be happy to extend her alternate position for another year and Patten will be stepping out of his alternate position and go into an ad-hoc role, to help with special projects regarding onboarding of board members. Mike Anderson with Seattle School of Psychology and Theology has expressed his interest in the alternate position. Jenny Collins with Chehalis Foundation is interested in filling the vacant Region 2 Board position. The committee recommends support of these position changes; Board will have the opportunity for approval as part of the action items later in this meeting.
