

The following educational resources are brought to you by your broker and your membership in NPIP, all of which can be accessed through www.npip.org.

Enquiron

This platform is NPIP's online risk management solution for employment risk. It offers customized solutions to empower employers to navigate employee and employer challenges and stay up-to-date with continuously changing regulations in HR, safety, the cyber landscape, and more. Access to Enquiron's sample forms, webinars, and other resources is available to members at no additional cost.

Find the answer here | nonprofitrisk.org

Nonprofit Risk Management Center (NRMC)

This national organization provides risk assessments, advice, training, and implementation support to help nonprofit leaders develop their risk management capabilities. NPIP's affiliate membership with NRMC grants NPIP members access to NRMC's extensive resources at no additional cost upon registration.

The Training Network by Streamery

An extensive online training library of concise, informative, and accessible risk management videos, available in both English and Spanish. These videos are perfect for individual or group trainings and cover a wide range of topics including employment practices and HR, OSHA compliance, transportation, food safety, construction, workplace safety, and more. To register, please contact our office.

First Advantage Background Checks

This service is a comprehensive solution designed to assist nonprofits in completing necessary employee and volunteer background checks and screening requirements - all at affordable group discount rates.

eRisk Hub - powered by Hartford Steam Boiler (HSB)

HSB is an industry leader in equipment breakdown insurance, known for their technical knowledge, superior risk solutions, and customer commitment. Their online platform curates a wealth of knowledge on equipment, business, and cyber risk, as well as loss prevention strategies and other learning opportunities.

WASHINGTON NONPROFITS

Washington Nonprofits

This association is devoted to ensuring nonprofits in Washington State have what they need to succeed. They advocate for nonprofits by connecting them to tools, providing learning programs, and raising awareness about public policy. Their goal is to help nonprofits learn, increase their influence, and connect with people and resources in order to close any gaps that are holding nonprofits back.

501 Commons

A nonprofit organization dedicated to helping nonprofits thrive by offering referral and consulting services. Their main focuses include management, technology, HR, IT and database infrastructure, professional and board development, and other support.
